

MAKING BEST USE OF AI FOR KS2 WRITING

Keystone Academy Trust are leading training on how to make the best use of AI to support the planning, teaching and assessment of writing across KS2. This training focuses on a key principle: AI is not a shortcut; it is a support tool with so much untapped potential. When used thoughtfully, it can reduce workload, spark creativity, and support your pupils' growth as writers. This session will be a practical workshop, providing delegates with the opportunity to create resources and test new ideas.
